PRESS RELEASE – LMP AND LHP SERIES LEVELERS

For Immediate Release

Contact: Donna Butkiewicz

LHP AND LMP SERIES “PIT STYLE” HYDRAULIC AND MECHANICAL DOCK LEVELERS

Poweramp® is pleased to introduce the LHP and LMP line of “Pit Style” hydraulic and mechanical dock levelers. These “Lug Hinge” style dock levelers are an economic alternative to Poweramp’s “PR” premium series products. The LHP and LMP feature a cost effective design and are available in widths of 6’, 6’6” and 7’0”, lengths of 6’ and 8’ and capacities of 25 – 40,000 lb CIR (Comparative Industry Rating).

Poweramp, a division of Systems Incorporated®, is a leading manufacturer of hydraulic and mechanical dock leveling equipment. Poweramp also provides complete loading dock solutions, including vertical storing levelers, truck restraints, truck levelers, bascule bridges, dock seals and shelters, dock lights, overhead doors, communication packages, control panels, safety barriers, and maintenance/service packages. For more information on Poweramp and its products call 1.800.643.5424.
